

– GETTING STARTED GUIDE

MAXIMIZER[®] CRM GMAIL ADD-ON

The **MAXIMIZER**CRM add-on for Gmail helps you manage and track conversations by saving email interactions with your contacts or leads in **MAXIMIZER**CRM. The add-on also enables you to save emails to both Customer Service and Opportunity records in **MAXIMIZER**CRM

You can also create, search, and update any of your **MAXIMIZER**CRM Address Book, Leads, Customer Service, or Opportunity records from within the add-on. Check out the app in the Google Workspace Marketplace by following the link to [MAXIMIZERCRM for Gmail listing](#).

Gmail Setup & Authentication

This document provides a step-by-step guide for setting up and authenticating your **MAXIMIZERCRM** and Gmail accounts. The information in this guide should complement any main **MAXIMIZERCRM** documentation.

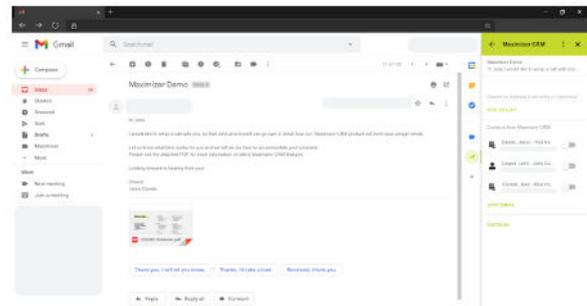

Step 1

Login to **MAXIMIZERCRM** and navigate to the App Directory page. Select the “Gmail” App and click on the “Get it Now” button.

Step 2

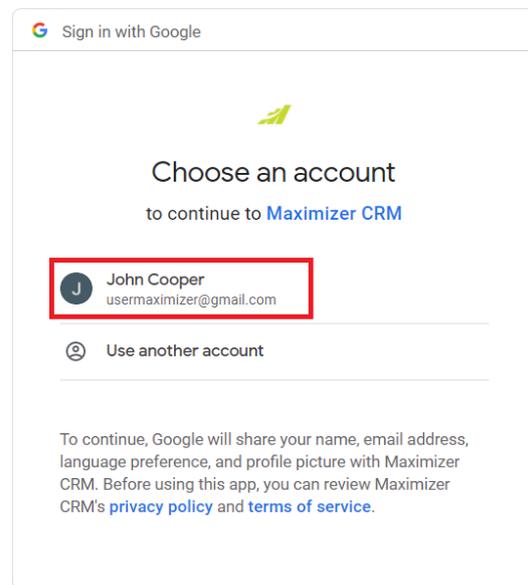

You should be redirected to **MAXIMIZERCRM** add-on page in the Google Workplace Marketplace. Click on the “Install” button to get the add-on installed to your Gmail Account.

Step 3

If you are not already logged into your Gmail account, Google will prompt you to login.

The add-on will request permission to install, click on the “Continue”.

English (United States) Help Privacy Terms

Get ready to install

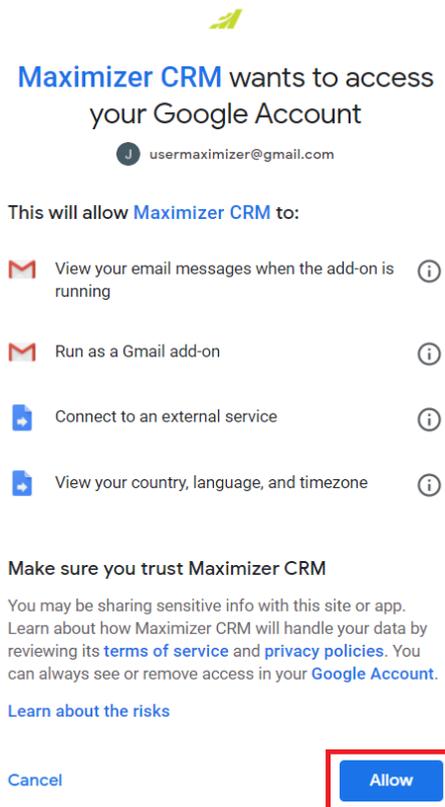

Maximizer CRM for Gmail needs your permission in order to start installing.

By clicking Continue, you acknowledge that your information will be used in accordance with the [terms of service](#) and [privacy policy](#) of this application.

CANCEL **CONTINUE**

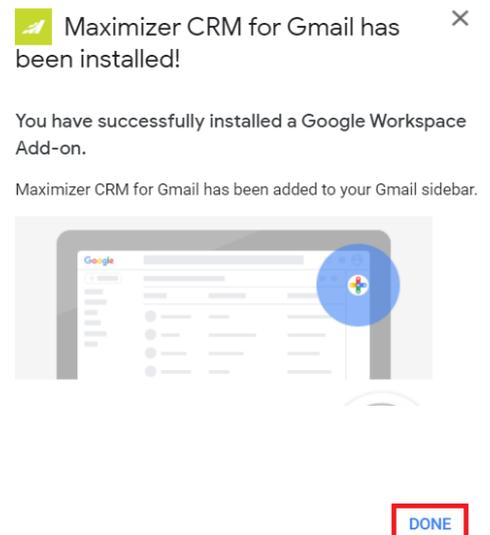

Step 4

Choose the Gmail account where you would like the addon to be installed, and click on “Allow” button to grant permissions for MAXIMIZERCRM to access your Gmail account.

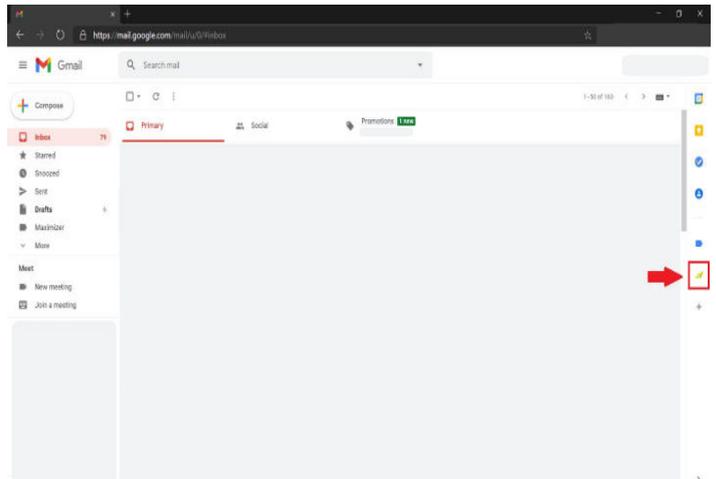

Step 5

Click on “Done” button and open your Gmail account in a new window.

Step 6

From your Gmail account, navigate to the add-ons bar on the right-hand side and click on the **MAXIMIZERCRM** logo.

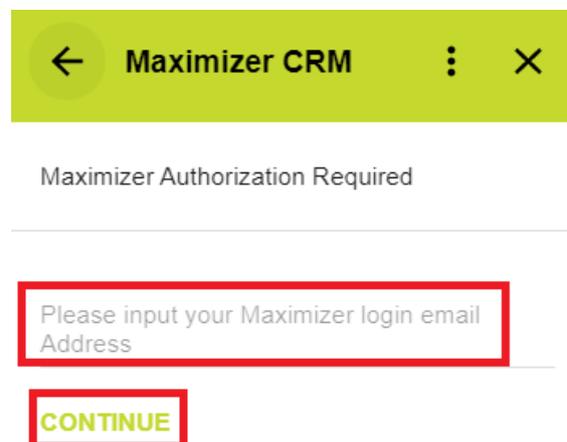

Step 7

The **MAXIMIZERCRM** add-on will open and requests you to sign in to your **MAXIMIZERCRM** Live account. Click on ‘Connect to Maximizer’ button.

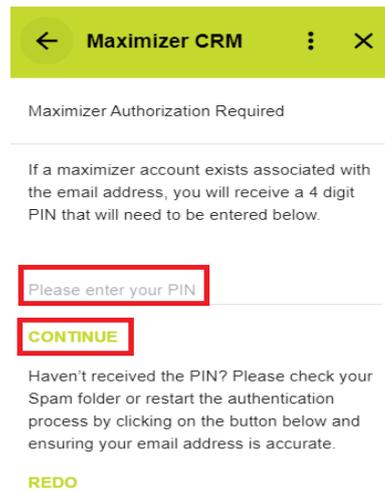

Step 8

Enter your email address associated with your **MAXIMIZERCRM** account and click on “Continue” button.

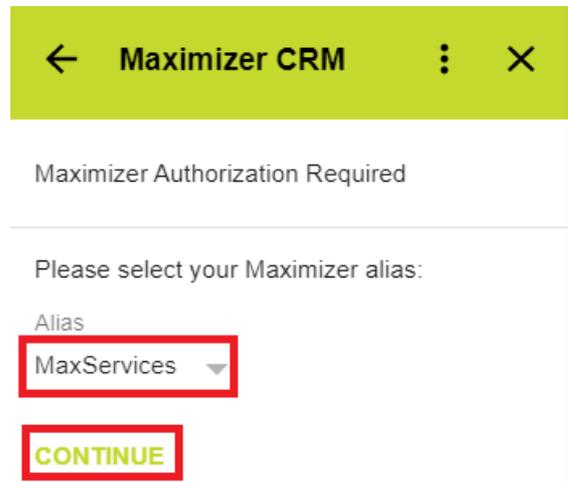

STEP 9

You should receive a 4-digit security code to the email address provided in Step 8. Enter the code in the Add-on window and click on “Continue” button.

Step 10

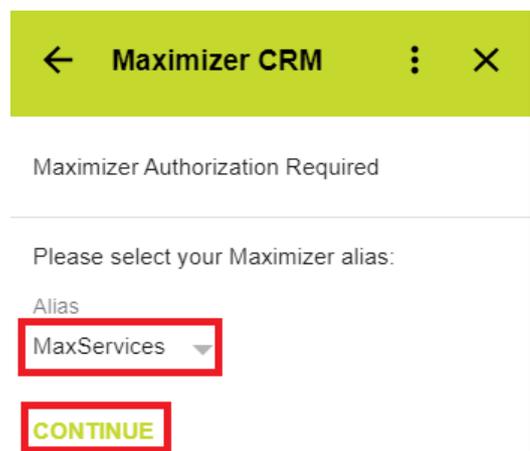

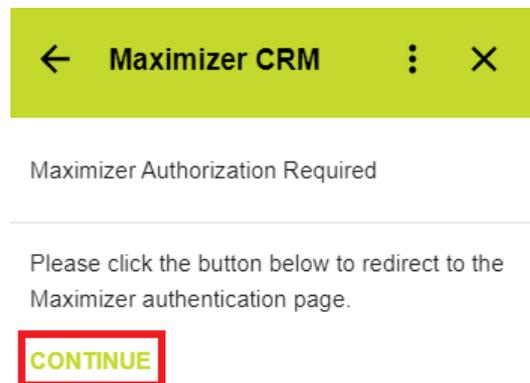

Choose the **MAXIMIZER**CRM account that you would like to connect to, and click on the “Continue” button.

Step 11

Click on the “Continue” button again, which will open a new OAuth dialog window prompting you to authenticate to your Maximizer account.

Complete the Maximizer OAuth process, and if successful you should see the message “Success! You can close this tab”. Close the tab and return to your Gmail window.

Step 12

The add-on has now been successfully installed and setup for your Gmail account.

Open an Email from your inbox or from any folder to get started.
